

You deserve better auto coverage

Allied Insurance offers new auto insurance options so you can pick and choose the rewards that make the most sense for you and control your own rates.

Forgiveness

Accident forgiveness: An accident won't increase your rates—even if it's your fault (one every three years per policy).

Minor violation forgiveness: A minor violation/ticket won't increase your rates (one every three years per driver).

Roadside assistance

Basic: Towing up to 15 miles, fuel delivery, lockout, jump starts, flat tires, and online membership discounts.

Plus: Basic package, plus towing up to 100 miles¹, and trip interruption coverage², turn-by-turn directions, pre-trip map routing, and emergency messages. *(Services apply while driving any vehicle with any occupant from an Allied household [insureds and in-home relatives].)*

Good-as-new

New car replacement/GAP coverage: Gives you the money to buy a brand new car if you're involved in an accident that results in your vehicle being totaled.

GAP coverage: Covers the difference when a settlement from an accident is less than the amount you owe on your vehicle loan.

Deductible savings rewards

Diminishing deductible: Sign up and get an immediate \$100 credit on your deductible, then watch it drop another \$100 for every year of safe driving (up to \$500).

Total loss deductible waiver: If your car is totaled in an accident, you're not responsible for paying your deductible.

New auto insurance options let you pick and choose the upgrades that make the most sense for you.
